Turning Point: Picking Up the Pieces After Eight Years of Failed Progressive Policies Bob Ehrlich

In his third book, former Maryland Governor Robert L. Ehrlich details the considerable damage inflicted to date, while analyzing how progressive policy has made America a far more insecure and weaker country. Turning Point makes the case for “plenty”; Barack Obama’s transformative agenda has indeed remade America – to the detriment of our economy and culture. Culled from published opinion pieces authored by the Governor over the last eight years, Turning Point is a concise, articulate indictment of Western European style progressivism brought to America by its most charismatic (and dangerous) salesman.
