El gran árbol de la humanidad (INTEGRAL) (Spanish Edition) Ignacio Abella

Los seres humanos compartimos una misma raíz. Cualquiera que sea nuestro origen, raza o sistema de creencias, el árbol parece ser un punto de acuerdo y encuentro natural. Son muy numerosos los mitos de todo el mundo que cuentan cómo, al principio de los tiempos, el cielo y la tierra se comunicaban entre sí a través de los árboles o por medio de un árbol primigenio. Este libro une y compara las viejas escenas legendarias transmitidas por la tradición oral con antiguas representaciones artísticas que parecen hablar en un mismo idioma. El árbol es un eje común, una presencia constante en la memoria colectiva de todos los pueblos y en todas las manifestaciones de la vida física y espiritual.
