Does God have a sense of humour? Can Christianity make sense of our 21st-century world? What does it mean to be happy? Is it possible to survive in the jungle of office politics, or in the warzone that is social media?

In this provocative and stimulating collection of pieces from *Eternity* magazine, Michael Jensen presents an authentically Christian take on the way we live, work and think. With insight, humanity, and a humorous touch, Jensen takes us on a tour of the contemporary soulscape, from the fall of the Berlin Wall to the music of Cold Chisel. He even argues that the atheists are right. *Pieces of Eternity* will surprise, delight and engage its readers.
