*She's a challenge he can't afford to lose...*

Navy SEAL Steven Thomas has only ever been able to count on three things: waking up in the morning, going to sleep sometime during the night, and Lauren Brixton. She's been his best friend since grade school, and what they have is the only relationship he's managed not to ruin.

Until one drunken night puts that all in jeopardy.

Lauren's watched Steven flit from one-night stand to one-night stand, seemingly not interested in something more. So when the long-ignored attraction between the two of them blows up in their faces, she does the only thing she can-she pretends she doesn't want him. But all's fair in love and war, and Steven's not about to lose the only person in his life who matters...
