His Life As a Cuckold Husband Volume 2 Kat Black

The last time we left Kim and Jake, they had come to an understanding and agreement that Jake would be the submissive cuckold husband and Kim would be the dominant wife. Kim's insatiable thirst and hunger for sex became an issue in their marriage when Jake had walked in on her having an extramarital affair. Jake had always suspected Kim was being unfaithful to him, but never really could accept it.

"When I meet guys for sexual escapades, I dress a little more provocatively than what you're used to seeing. I wear a lot more makeup and I..." Kim hesitated.

Jake waited for her to continue.

After a moment she said, "Jake, please don't get mad when I tell you this, but I have several outfits that you've never seen me in."

"Where do you have them?"

"At Angie's house." Angie was her best friend. Angie was a divorced woman, the same age as Kim. Angie was a partier and was known to jump from bed to bed.
