## **INTO THE HEART**

The bloody terrain of West Africa is the staging ground for a rescue mission with almost impossible odds. Mack Bolan's directive comes straight from the Oval Office: find and recover two hostages, kidnapped to blackmail the embattled head of a civil-war torn province.

Bolan is facing powerfully backed terrorists whose campaign of death strikes fear into the heart of a struggling nation. And his offensive loses ground when he clashes with ruthless slave traders, whose innate knowledge of the hostile African bush makes the enemy—and the hostages—more elusive. But the war continues deep into the shadow land where violence and death rule, and justice comes only at the uncompromising hand of the Executioner.
