## **A thrilling new sensual paranormal**

Found wandering in a field as a child, Lee Ross was given a name by the state and placed in a foster home without anyone realizing she wasn't entirely human. All her life, she's tried to dismiss the odd dreams that have plagued her, dreams of monsters creeping through the night and a man, fighting demons by her side. But the bruises she wakes up with are all too real to ignore.

Then the man from dreams appears in the flesh. His name is Kalen and he insists that her destiny lies in his world, the world of her dreams.

To save their people, he must convince Lee to give everything she knows, follow her heart and cross into the Under Realm, even though once she does, she'll never be able to return.
