## **Con gli occhi chiusi (Maree) (Italian Edition)** Federigo Tozzi

Il capolavoro di Federigo Tozzi finalmente disponibile in ebook. Romanzo di matrice autobiografica, *Con gli occhi chiusi* racconta le vicende di un gruppo di persone nella Toscana del Chianti, quando ancora la zona non era così famosa, e in particolare di Pietro e Ghisola, due giovani che si cercano, si desiderano, ma fanno fatica a trovare un destino comune. Tutto il romanzo, infatti, è animato da una forte carica pessimistica e da un sentimento di sfiducia circa la possibilità di instaurare una comunicazione con gli altri. Le stesse vicende del protagonista tradiscono la sua incapacità a realizzare i propri obiettivi e a vivere in modo autentico e consapevole il rapporto d'amore. L'umanità umile e tormentata che è al centro del romanzo fatica a non sottostare alla legge della violenza e dell'inganno. Come ebbe a dire Giacomo Debenedetti, la «vicenda di questo romanzo è emblematica di un disagio esistenziale che è al centro della grande narrativa e in genere della cultura novecentesca. In un mondo ove la società industriale fa sempre più affievolire i valori spirituali, il disinteresse, l'amore, la lealtà alla natura, la fedeltà all'ideale, l'uomo, nel ritratto di Tozzi, si sente estraneo, assediato dall'incomprensione, escluso da un vero dialogo umano; la sua sete di affetto si trasforma in disperata solitudine; egli è costretto, per attutire le ferite della realtà ostile, a vivere "con gli occhi chiusi"».
