Eve of Warfare: A Marked Novella Sylvia Day, S.J. Day

Lycans, vampires, and cherubs... oh my.

All Evangeline Hollis wants is to stay out of trouble long enough to lose the Mark of Cain, which drafted her into hunting demons for God. A former agnostic, she's still recovering from being the latest point of contention between the two men in her life--Cain and Abel. Now she's working for a cherub who thinks putting her undercover as a housewife is the best way to ferret out a rogue vampire hiding in an idyllic Orange County, California residential community.

Eve knows when she's being used as a pawn in the celestial political game. Now, she just has to figure out who's the greater threat: the vampire she's hunting, the cherub yanking her chain, or the two brothers vying to play the role of her spouse--'til death do them part. Which in her line of work, could happen any minute...

("Eve of Warfare" is a stand-alone novella, which falls after EVE OF CHAOS in the Marked series chronology.)

Includes bonus content: the opening chapter of EVE OF DARKNESS
