Healing Companions: Ordinary Dogs and Their Extraordinary Power to Transform Lives Jane Miller
"Animals are more complete than people. They are wonderful teachers, therapists and role models for us all. Read *Healing Companions* and learn about their ability to guide and heal us all."--Bernie Siegel, MD, author of *Smudge Bunny*

As the more than 65 million dog owners in America will attest, there's something about the presence of a dog that inspires confidence, nurtures emotional well-being, and brings out the best in ourselves. But for some people, the presence of a dog can do even more.

Written by the leading expert in an emerging new field of therapy, *Healing Companions* is the first book to detail how dogs are increasingly benefiting those who suffer from a range of emotional ills, from eating disorders and anxiety to agoraphobia, depression, and post-traumatic stress.

Healing Companions will teach you:

- *What criteria to consider when choosing the right dog for you.
- *What kind of training service dogs require.
- *What to expect and how to respond when you take a service dog out in public.
- *How a dog can compliment other forms of therapy.
- *How to navigate the procedural regulations that apply to a service dog.
- *How to recognize the dog's needs and provide it with proper care.
- *And much more.
