The best way to catch a wolf? Use your heart as bait.

Five years ago Braith Merlow walked away from the love of his life, and it wasn't by choice. Unable to tell her the reason why, he threw his things into a duffle bag, swung his leg over the seat of his motorcycle, and headed for sanctuary. The last thing he expects, after all this time, is to find her standing in his bedroom.

Sorcha Lynnae wants only one thing from her former lover: the Masti. She needs the magical necklace to save her life, and the Vampyr Queen has given her two weeks to find it. When she steps out of Braith's shower and into his arms, her "business-only" trip turns into pure pleasure.

With their hearts on the line, Braith and Sorcha set out to pursue their separate agendas. A pinch of magic, a hint of lust, and they're well on their way to catching a wolf.
