Adopción y vínculo familiar: Crianza, escolaridad y adolescencia en la adopción internacional (Salud Mental) (Spanish Edition) Vinyet Mirabent, Elena Ricart

A pesar de la crisis económica, el número de adopciones internacionales ha crecido exponencialmente a lo largo de los últimos años. Se trata de un fenómeno que nace del verdadero deseo de ser padres, de una sana motivación, pero a su vez es un reto lleno de incertidumbres que requiere una preparación previa y cuidadosa.

Esta nueva realidad social ha generado un aumento en las consultas por parte de padres adoptivos y ha llevado a los autores a elaborar el presente texto partiendo de su experiencia en adopción internacional y de las distintas vertientes de su trabajo. En él se recoge la visión de un equipo -ICIF Fundació Vidal i Barraquer- formado por psicólogos, psicopedagogos y trabajadores sociales, cuyo objetivo es contribuir al buen desarrollo del niño tanto en la familia como en la escuela.

Vinyet Mirabent y Elena Ricart son los compiladores de esta obra. Los autores son el Equipo de adopciones de la ICIF Fundació Vidal i Barraquer: Josep M^a Andrés, psicólogo clínico; Gemma Blanch, psicóloga; Elba Camina, trabajadora social; Magda de la Maza, psicopedagoga; Geni Flos, educadora social; Vinyet Mirabent, psicóloga clínica; Martha Ortega, psicóloga; Elena Ricart, psicóloga clínica; Marta San Martino, psicóloga; Montserrat Soler, trabajadora social; Jorge Toledano, psicólogo. Con la colaboración de Laura Cano, maestra.

Roger Hodge:

Reading a reserve tends to be new life style with this era globalization. With reading you can get a lot of information that could give you benefit in your life. Along with book everyone in this world may share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or maybe their experience. Not only the story that share in the textbooks. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors on earth always try to improve their ability in writing, they also doing some investigation before they write to the book. One of them is this Adopción y vínculo familiar: Crianza, escolaridad y adolescencia en la adopción internacional (Salud Mental) (Spanish Edition).

Paul Lopez:

A lot of reserve has printed but it differs from the others. You can get it by web on social media. You can choose the most beneficial book for you, science, comedian, novel, or whatever through searching from it. It is known as of book Adopción y vínculo familiar: Crianza, escolaridad y adolescencia en la adopción internacional (Salud Mental) (Spanish Edition). Contain your knowledge by it. Without leaving behind the printed book, it could possibly add your knowledge and make you happier to read. It is most essential that, you must aware about guide. It can bring you from one location to other place.

John Day:

What is your hobby? Have you heard that question when you got scholars? We believe that that concern was given by teacher to the students. Many kinds of hobby, All people has different hobby. Therefore you know that little person including reading or as reading become their hobby. You have to know that reading is very important in addition to book as to be the thing. Book is important thing to increase you knowledge, except

your current teacher or lecturer. You see good news or update regarding something by book. A substantial number of sorts of books that can you choose to adopt be your object. One of them is Adopción y vínculo familiar: Crianza, escolaridad y adolescencia en la adopción internacional (Salud Mental) (Spanish Edition).
