Fracasos de la fortuna (Escala en Tenerife) (Spanish Edition)

Learte Ladron De Zegama. Miguel

Fracasos de la fortuna (Escala en Tenerife) (Spanish Edition) Learte Ladron De Zegama. Miguel
Fracasos de la fortuna y sucesos varios acaecidos a don Miguel de Learte Ladrón de Zegama constituye una obra de particular interés dentro de la literatura colonial. El texto tiene algo de pieza de viajes, pero es más un denso relato autobiográfico que este navarro inquieto y aventurero concluye en Argentina en 1788. Learte pasa por Tenerife a mediados de 1750, camino de las Indias, permaneciendo en la isla aproximadamente cuatro meses. Durante esta estancia intenta ganarse el sustento en lo que puede; primero, trabajando en una cantera de Santa Cruz; luego, dada su experiencia como escribano, entregando pliegos y otros encargos en diversas poblaciones, pues en aquellos momentos no existía en las Islas servicio reglado de correos. Learte declara que las Canarias son para él «un pasmo de la naturaleza» y lamenta no tener «talentos para explicar la situación de las Islas», pero su memoria es generosa en lo que concierne a su estancia entre nosotros y sus referencias, redactadas muchos años después, constituyen una fuente particularmente ilustrativa para conocer las circunstancias que rodean el paso a las Indias y acercarnos a la realidad insular, singularmente a la de Tenerife, de mediados del siglo XVIII. Además, en su relato encontramos otros matices marcadamente distintos a los que son habituales en los viajeros vocacionales.
