Islam, Europe and Emerging Legal Issues W. Cole Durham, Rik Torfs

Islam, Europe and Emerging Legal Issues brings together vital analysis of the challenges that Europe poses for an expanding Islam and that Islam poses for Europe, within their ever-evolving religious, legal, and social environments. This book gathers some of the best thinking on Islam and the law affecting current and contested issues that can no longer be ignored, particularly as they have found their way before the European Court of Human Rights. Contributors include leading authorities who are working at the heart of this generation's law and religion questions in Europe and across the world. This book outlines implications for all those who look to Europe—from both within and without—for models of human rights implementation and multi-cultural accommodation.
