René Verneau

La isla hermosa y triste (Escala en Tenerife) (Spanish Edition) René Verneau

El doctor Verneau es un científico que realiza en el Archipiélago excavaciones y casas arqueológicas y estudios de antropología física, pero también es un escritor de verbo fácil y al mismo tiempo ajustado y elegante y, sobre todo, es uno de los intelectuales europeos que con mayor enamoramiento se dedicó a la investigación de la cultura isleña. Junto a sus obras, casi técnicas escribió Cinco años de estancia en las Islas Canarias, un libro de viajes que sintetiza sus principales rasgos personales: su fina capacidad de observación, su espíritu crítico, su respeto por las islas y por los restos aún vivos de la cultura aborigen, su simpatía hacia las clases más pobres, su denuncia implacable de la miseria en la que se encontraban sumidos los más pobres de los tinerfeños.
