Murder by the Seaside (The Patience Price Mysteries Series Book 1) Julie Anne Lindsey

Armed with a new counseling degree, Patience Price is eager to move back home to Chincoteague Island to help folks with their problems. But she finds the streets awash in more than East Coast charm. There's been a murder, and Adrian Davis, the town golden boy who once stomped her heart into a zillion pieces, is the main suspect. Now he's on the run, claiming he's innocent. Patience finds this...poetic. Not that she holds a grudge.

Adrian's mom is sure that with her FBI background Patience can find the truth. Yes, she was at the FBI—in human resources. Still, she looks into it, but not everyone is happy with her snooping. Either that, or the welcome wagon has some bold new policies involving drive-by shootings.

Things really heat up when a hunky former coworker, an *actual* FBI agent, arrives to help. But he may be too late; the quaint island harbors deadly secrets—and Patience is running out of time.
