**The Mandelbaum Gate: A Novel** Muriel Spark

**For Barbara Vaughn, a checkpoint between Jordan and the newly formed Israel is the threshold to painful self-discovery**

Barbara Vaughn is a scholarly woman whose fascination with religion stems partly from a conversion to Catholicism, and partly from her own half-Jewish background. When her boyfriend joins an archaeological excursion to search for additional Dead Sea Scrolls, Vaughn takes the opportunity to explore the Holy Land. But this is 1960, and with the nation of Israel still in its infancy, the British Empire in retreat from the region, and the Eichmann trials in full swing, Vaughn uncovers much deeper mysteries than those found at tourist sites.

Both an espionage thriller and a journey of faith, *The Mandelbaum Gate* won the James Tait Black Memorial Prize upon its publication, and is one of Spark's most compelling novels.

This ebook features an illustrated biography of Muriel Spark including rare photos and never-before-seen documents from the author's archive at the National Library of Scotland.
