**Bagatelles, Op. 5: Late Intermediate Piano Collection (Alfred Masterwork Edition)** Alexander Tcherepnin

Alexander Tcherepnin's (1899-1977) Bagatelles are among his finest and most popular keyboard works. The 10 miniatures each span only two to four pages, yet are filled with a variety of mildly contemporary techniques. The more brilliant pieces help to develop a rapid finger technique, while the lyrical works are studies in the balance of melody and accompaniment figures. Lynn Freeman Olson's edition is carefully researched and includes helpful study notes.
