## **Explaining Social Processes** Charles Tilly

Built upon decades of experience at the frontiers of history and social science, Charles Tilly's newest book offers innovative methods and approaches that are applicable in a wide range of disciplines: politics, sociology, anthropology, history, economics, and more. The book covers approaches to analysis ranging from interpersonal exchanges to world-historical changes-economic, political, and social. He shows how a thoroughgoing relational account of social processes, coupled with the careful identification of causal mechanisms, illuminates variation and change in the ways people live at the small scale and the large.
