Phineas Redux (Oxford World's Classics) Anthony Trollope

'It is no good any longer having any opinion upon anything'

After the death of his wife, the handsome politician Phineas Finn returns from Ireland to the parliamentary fray. In his absence the political and social world has subtly changed, parties and policies no longer fixed and advancement dependent upon scheming and alliances. His private life lays him open to the scandal-mongering press, and the wild accusations of an unhinged rival; but much more than his reputation is at stake when he is accused of murdering a political opponent.

Trollope shows a remarkably prescient sense of the importance of intrigue, bribery, and sexual scandal, and the power of the press to make or break a political career. He is equally skilled in portraying the complex nature of Phineas's romantic entanglements with three powerful women: the mysterious Madame Max, the devoted Laura Kennedy, and the irrepressible Lady Glencora (now Duchess of Omnium). The fourth of Trollope's Palliser novels, *Phineas Redux* is one of his most spellbinding achievements, and the first modern 'media' novel.

ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
