The Rebel dream is to rebuild this nation. To build something for future generations. Outlaws and roaming gangs of thugs and punks will not be tolerated. They have no place in the society we dream of." –Ben Raines

A Savage New World

Anarchy and chaos have erupted out of the devastation of World War III. Now, it is one survivor's duty to lead his nation out of the ashes: legendary soldier and freedom fighter, Ben Raines. Whatever it takes, he is going to rebuild America. . .and he is going to do it *his* way.

From his secret outpost in the far west, Raines orders his Rebels to back him in one last desperate assault against the Russian invaders and the mercenary turncoat, Sam Hartline, who joined their brutal brigade. But until reinforcement arrives, Raines is forced to wage a one-man guerilla war against the enemy. It could be the first step toward a free America—or the kamikaze warrior's final showdown.

Either way, they'll be hell to pay. . .
