Afterward, Terri will tell everyone that, from the beginning, she knew something terrible was going to happen on spring break.

Something bad was going to happen.

She knew.

It was supposed to be the perfect vacation: hot guys, impeccable tans, and no parents. But for two high school seniors, an innocent car ride will drive them into the heart of their worst nightmare.

Feathered is a provocative and eerie tale that flies readers from safe, predictable suburbia to the sun-kissed beaches of Cancún, Mexico, and into mysterious Mayan ruins, where ancient myths flirt dangerously with present realities.
