Blush: This is a suggestive romance (love scenes are not graphic) Newly expanded with bonus chapters! Including tips for making your own Man List, and an interview with Martha Beck, life coach, writer, and columnist for O, The Oprah Magazine! Dating the wrong man isn't a casual endeavor for Samantha Stewart—it's practically a career. At thirty-five, Sam is a never-married, baseball-loving, successful engineer whose chances of finding true love, having kids and living semi-happily ever after are looking bleaker with every passing ball season. Aside from her equally single best friend Marta, Sam's only other guides on the path to true love are her two inner voices who regularly fill her head with conflicting advice. After a frightening brush with death, Sam decides not to waste another second in finding her soul mate. She enlists Marta's help to create a magical man list, a divining rod for finding the perfect man, complete with "magical" ceremonies that involve breaking into a baseball stadium and almost drowning in the ocean. But if there's one thing Sam and Marta discover on their hilarious journey—there's no sacrifice too great when it comes to finding true love. Publisher's Note: Magical Man List was previously self-published by the author.
