**Neuroeconomics: Chapter 18. From Experienced Utility to Decision Utility** Kent C. Berridge, John P. O'Doherty

This chapter discusses how different forms of outcome utility are embedded in brain systems. Experienced utility, the actual pleasure of an outcome when received, is encoded by a neural activations in a network that includes limbic prefrontal cortex as well as deep brain structures below the cortex, but it is possible that causal generation of experienced utility, in the form of intense pleasures, may be more restricted to small hotspots within the deeper structures. Decision utility, manifested in choices to pursue or consume an outcome, is influenced by additional factors, including memories of past experienced utility resulting from outcomes (remembered utility), and predictions or beliefs about how good experienced utilities are likely to be in future (anticipated/predicted utility). Brain circuitry for decision utility can be separated to a degree from circuitry for experienced utility, and the brain mesolimbic dopamine system is one component that is especially important to decision utility as a mechanism for making choices. However, there is some controversy in the field today concerning the precise role of dopamine in decisions. One common view has been that mesolimbic dopamine influences choice by mediating learning and predicted utility (as teaching signal and prediction error), acting as an input to decision utility. An alternative view is that mesolimbic dopamine instead more purely mediates decision utility directly (as incentive salience or 'wanting'), being able to depart from learned or remembered utilities, and not necessary for reward learning or predictions. Berridge and O'Doherty favor different sides in this dopamine controversy, and so the authors here distill those different views into a brief debate. Finally, the relations among brain systems for various utilities opens up interaction possibilities that sometimes lead to irrational choices. These include 'wanting' a particular outcome whether or not that outcome turns out to be actually 'liked'. That phenomenon is particularly vivid in addiction but also may occur to some degree in ordinary life.

### **From reader reviews:**

#### **Florence Croy:**

The book Neuroeconomics: Chapter 18. From Experienced Utility to Decision Utility give you a sense of feeling enjoy for your spare time. You can utilize to make your capable much more increase. Book can to become your best friend when you getting anxiety or having big problem together with your subject. If you can make studying a book Neuroeconomics: Chapter 18. From Experienced Utility to Decision Utility being your habit, you can get much more advantages, like add your own personal capable, increase your knowledge about a number of or all subjects. You may know everything if you like available and read a guide Neuroeconomics: Chapter 18. From Experienced Utility to Decision Utility. Kinds of book are several. It means that, science guide or encyclopedia or other individuals. So , how do you think about this reserve?

#### **Ramiro Alvarez:**

What do you think about book? It is just for students because they are still students or that for all people in the world, the actual best subject for that? Just simply you can be answered for that question above. Every person has several personality and hobby for every other. Don't to be forced someone or something that they don't need do that. You must know how great and also important the book Neuroeconomics: Chapter 18. From Experienced Utility to Decision Utility. All type of book can you see on many options. You can look for the internet resources or other social media.

#### **Susan Belcher:**

The book untitled Neuroeconomics: Chapter 18. From Experienced Utility to Decision Utility is the e-book that recommended to you to study. You can see the quality of the e-book content that will be shown to you. The language that writer use to explained their way of doing something is easily to understand. The article author was did a lot of analysis when write the book, and so the information that they share to your account is absolutely accurate. You also can get the e-book of Neuroeconomics: Chapter 18. From Experienced Utility to Decision Utility from the publisher to make you much more enjoy free time.

#### **Kayla Congdon:**

Beside this kind of Neuroeconomics: Chapter 18. From Experienced Utility to Decision Utility in your phone, it could give you a way to get closer to the new knowledge or info. The information and the knowledge you can got here is fresh from your oven so don't always be worry if you feel like an older people live in narrow town. It is good thing to have Neuroeconomics: Chapter 18. From Experienced Utility to Decision Utility because this book offers for you readable information. Do you oftentimes have book but you don't get what it's about. Oh come on, that would not happen if you have this with your hand. The Enjoyable arrangement here cannot be questionable, like treasuring beautiful island. Use you still want to miss it? Find this book as well as read it from right now!
