## **Tort (Core Texts Series)** Stephen Hedley

The seventh edition of Tort introduces the central principles of the subject, providing a clear and concise exposition of the law in an easy-to-use format. The text is an excellent introduction to this key area of undergraduate study, and can also be used as an ongoing revision and reference source to provide extra support to students throughout their studies.

Features such as chapter summaries, self-test questions, and further reading lists allow students to check and consolidate their understanding and assist independent learning.
