## LA CAUSA INTERIOR (Spanish Edition) MARTIN BROFMAN

Mi primer libro sobre sanación, Todo se puede curar, se centra en la dinámica del método cuerpo-espejo en los requisitos para poder actuar como sanador, y también cubre los conceptos básicos de la exploración del cuerpo como mapa de la conciencia interior. Con el tiempo se me hizo evidente que tenía que escribir otro libro, esta vez centrándome en los planteamientos que son imprescindibles en la conciencia de alguien que experimenta los síntomas y desea curarse. Ese es el propósito de la obra que tienes en tus manos. En ella se documenta la investigación que he llevado a cabo durante los últimos treinta y ocho años, cuantificando los perfiles específicos de personalidad asociados con los diversos síntomas físicos. Aunque va dirigido principalmente a quien está experimentando el síntoma, al mismo tiempo será muy interesante para quienes trabajan en profesiones asistenciales, sanadores y terapeutas, pues les ayudará a comprender mejor la dinámica de la conexión cuerpo-mente.
