Wisława Szymborska

**Map: Collected and Last Poems** Wisława Szymborska

**A new collected volume from the Nobel Prize–winning poet that includes, for the first time in English, all of the poems from her last Polish collection**

One of Europe’s greatest recent poets is also its wisest, wittiest, and most accessible. Nobel Prize–winner Wisława Szymborska draws us in with her unexpected, unassuming humor. Her elegant, precise poems pose questions we never thought to ask. “If you want the world in a nutshell,” a Polish critic remarks, “try Szymborska.” But the world held in these lapidary poems is larger than the one we thought we knew.

Carefully edited by her longtime, award-winning translator, Clare Cavanagh, the poems in *Map* trace Szymborska’s work until her death in 2012. Of the approximately two hundred and fifty poems included here, nearly forty are newly translated; thirteen represent the entirety of the poet’s last Polish collection, *Enough*, never before published in English.

*Map* is the first English publication of Szymborska’s work since the acclaimed *Here*, and it offers her devoted readers a welcome return to her “ironic elegance” (*The New Yorker*).
