## ***RIVER'S END***

Olivia's parents were among Hollywood's golden couples...until the night a monster came and took her mother away forever. A monster with the face of her father...

Sheltered from the truth, an older Olivia only dimly recalls her night of terror?but her recurring nightmares make her realize she must piece together the real story. Assisted by Noah Brady, the son of the police detective who found her cowering in her closet so many years before, she may have her chance. Noah wants to reconstruct the night that has become an infamous part of Hollywood history. He also wants to help Olivia and heal the longing in her lonely heart. But once the door to her past is opened, there's no telling what's waiting on the other side. For somewhere, not too far away, the monster walks again...

## ***ANGELS FALL***

Reece Gilmore has come a long way to see the stunning view below her. As the sole survivor of a brutal crime back East, she has been on the run, desperately fighting the nightmares and panic attacks that haunt her. She settles in Angel's Fist, Wyoming - temporarily, at least - and takes a job at a local diner. And now she's hiked this mountain all by herself. It was glorious, she thinks, as she peers through her binoculars at the Snake River churning below. And then she sees the man and woman on the opposite bank. Arguing. Fighting. And suddenly, he's on top of her, his hands around her throat. . . . Enjoying a moment of solitude a bit farther down the trail is a gruff loner named Brody. But by the time Reece reaches him and brings him to the scene, the pair is gone. And when authorities comb the area where she saw the attack, they find nothing. No signs of struggle. No freshly turned earth. Not even a tire track. And no one in Angel's Fist seems to believe her. After all, she's a newcomer in town with a reputation for being jumpy and jittery - maybe even a little fragile. Maybe it's time to run again, to move on. Reece Gilmore knows there's a killer in Angel's Fist, even if Brody, despite his seeming impatience and desire to keep her at arm's length, is the only one willing to believe her. When a series of menacing events makes it clear that someone wants her out of the way, Reece must put her trust in Brody - and herself - to find out if there is a killer in Angel's Fist before it's too late.
