She turned his life into chaos even as she melted his heart...

The injured “boy” Sir Daniel Drummond rescues from a British battlefield is no boy at all, but a vivacious young enchantress fleeing her tyrannical father. Moved by her plight, her spirit, and her mesmerizing beauty—and his own young daughters’ need for a mother—the dashing nobleman impulsively offers to wed Henrietta “Harry” Ashby, who promptly throws his life and household into disarray.

Headstrong, impetuous, wildly unconventional, “Harry” knows precious little about wifely duties. But the irrepressible miss understands the importance of unwavering loyalty when danger threatens. And she knows daring ways to set a man’s passions aflame—and the sensuous secret to transforming a marriage of convenience into a union of everlasting ecstasy and love.
