The Roll-Call

Arnold Bennett

The Roll-Call Arnold Bennett

Enoch Arnold Bennett (27 May 1867 – 27 March 1931) was an English writer. He is best known as a novelist, but he also worked in other fields such as journalism, propaganda and film. Bennett was born in a modest house in Hanley in the Potteries district of Staffordshire. Hanley is one of a conurbation of six towns which were joined together at the beginning of the 20th century as Stoke-on-Trent. Enoch Bennett, his father, qualified as a solicitor in 1876, and the family moved to a larger house between Hanley and Burslem.[1] Bennett was educated locally in Newcastle-under-Lyme. Bennett was employed by his father but the working relationship failed. Bennett found himself doing jobs such as rent-collecting which were uncongenial. He also resented the low pay; it is no accident that the theme of parental miserliness is important in his novels. In his spare time he was able to do a little journalism, but his breakthrough as a writer came after he had moved from the Potteries. At the age of 21, he left his father's practice and went to London as a solicitor's clerk.
