## **The Widening Stream: The Seven Stages Of Creativity** David Ulrich

Many people long to fulfill their creative potential yet don't know how. Using the stream as a metaphor, author David Ulrich takes readers through the full range of creative activity and shows that creativity is accessible to everyone who wishes to nourish and develop their artistic spirit. In Part One, he explores the seven stages of the creative process, from Discovery and Encounter through Responsibility and Release. In Part Two, he discusses the three guiding principles of creativity. Each chapter in Part One includes questions, exercises, and suggestions to help readers achieve each step in the process. The book also includes anecdotes and quotations from many artists, writers, and scientists.
