Auras: See Them in Only 60 seconds Mark Smith

That is a brave claim to make, especially in the title of a book. But it's true. When you practice the ten easy steps in this book, you will be able to quickly and easily see the aura. Dr. Raymond A. Moody, author of the famous book, *Life After Life*, read this book and wrote, "Hallelujah! I can finally see [auras] for myself. And I suspect many others will be probing this realm, too, with this guidebook in their hands."

Mark Smith, the author of *Auras: See Them in Only 60 Seconds!* (previously published as *In A New Light*), has hosted numerous seminars on auric vision. Now you can learn ó in the safety, privacy, and comfort of your own home ó what he has refined over years of study, practice, and teaching. In just one minute you will be able to see auras. The appendix shows you the ten steps to develop your auric vision and make it stronger, and gives a special way for you to see your own aura.

Learning to see the mysterious glow that surrounds the body is just the first step. As you rapidly increase your abilities you will be able to see a wide range of colors in the aura. The colors provide an amazing amount of information about a person. You will learn how to interpret the aura to determine everything from the physical health level of a person to how charismatic that person is.

If you want to learn to see and read the aura, this book is a must.
