To some degree, all of us have faulty assumptions about God and life. We want it all—and we think we deserve it all. Sooner or later, we get a wake-up call. Our desires collide with God's heart, and we realize His purposes are far bigger than we ever dreamed. When the collision occurs, we realize we've been wrong about many things. At that moment, we have a choice: Will we walk away from God, shake our fist at Him, or cling to Him like never before? In the chapters of this book, Ben Dailey shows how to respond to collision with God in every aspect of life: marriage, parenting, work, church, and leadership. A collision with God's heart isn't the end of your life's dream. It's the beginning.
