Dancing with Myself

Billy Idol

Dancing with Myself Billy Idol

In this original memoir following Billy Idol from his childhood in England to his fame at the height of the punk-pop revolution, the iconic superstar tells the real story behind the sex, drugs and rock 'n' roll that he is famous for. A member of the punk rock revolution whose music crossed over into the pop mainstream during the 1980s, Billy Idol is a rock 'n' roll legend. *Dancing With Myself* will cover the events and the people who shaped his life, his music, and his career, including accounts of his childhood in England and the U.S., his year at Sussex University, his membership in the Bromley Contingent, his period spent hanging out with the Sex Pistols, his time in Siouxsie and the Banshees, Chelsea, and Generation X. Idol also tackles his successful solo career, which involved collaboration with Steve Stevens and, ultimately, some of the most influential, ground-breaking music videos ever seen on MTV. In *Dancing With Myself*, Idol renders detailed accounts of his life's highs and lows with the unapologetically in-your-face attitude and exuberance that made him famous. In part a survivor's story, but equally a very funny and always riveting account of one man's creative drive.
