Alexandra Déllano

México y su diáspora en Estados Unidos. (Spanish Edition) Alexandra Déllano

Este estudio describe cómo las políticas del gobierno mexicano relacionadas con la emigración desde 1848 han estado determinadas por cambios en la relación bilateral México-Estado Unidos y cómo la dinámica de esta relación ha influido de manera determinante en las estrategias mexicanas para relacionarse con la población migrante en Estados Unidos. Este análisis histórico y desde un enfoque de relaciones internacionales permite evaluar los objetivos implícitos y explícitos del reciente activismo del gobierno respecto a la protección de los derechos de los migrantes y la vinculación con la diáspora.
