The Jubilee Principle: God's Plan for Economic Freedom Dan L. White

With the world mired in the worst financial crisis since the Great Depression, people are desperate for answers. But while politicians and investment gurus are stymied to find answers, author Dan L. White turns to the God of the Bible for wisdom to light the way in today's dark times. In *The Jubilee Principle: God's Plan For Economic Freedom*, White describes the connection between the Bible and the marketplace. White, an expert on Christian stewardship and founder of the Homeschool Helpers ministry, delves into Old Testament history and shows how God's relationship with the Israelites is a model that can offer spiritual and economic liberation for Christians today. As White examines the economic long wave—a boom-and-bust cycle that happens roughly twice a century in free economies—he uncovers the wisdom of the fifty year Jubilee cycle in the Hebrews' economy. Simply put, this was God's plan to spare Israel of the tumult of financial crises, and we can still learn something valuable from His timeless wisdom today.
