William Shakespeare's A Midsummer Night's Dream (Bloom's Modern Critical Interpretations)

William Shakespeare's A Midsummer Night's Dream (Bloom's Modern Critical Interpretations)

Shakespeare imbued "A Midsummer Night's Dream" with extraordinary complexity. This ethereal fantasy involves four different levels of representation, which intermingle but never wholly fuse. This invaluable new literary reference presents a selection of the best contemporary criticism of one of Shakespeare's greatest plays, introduced by an essay from esteemed scholar Harold Bloom and featuring a bibliography, index, and chronology of the Bard's life. Volumes in the "Bloom's Modern Critical Interpretations" series are intended for in-depth study of literary classics through eight to 12 full-length essays that represent the best criticism available on a specific work.
