## **Diccionario de la muerte (Spanish Edition) César Parra**

¿Quién no se enfrentó, alguna vez, con la muerte en alguna de sus formas? Desde la partida de un ser querido hasta las apariciones más extrañas en una noche oscura, la muerte está presente en nuestras vidas como el lógico y temido final que les da sentido. Este diccionario reúne casi todos los términos asociados con la Parca y les otorga un contexto, un lugar desde el cual recordarlos nuevamente. Así, recorre diversas culturas, historias antiguas y contemporáneas, mitos y leyendas que nos enfrentan a la Huesuda una vez más, ya no para asustarnos sino para mostrarnos su estética y profunda capacidad de conmovernos mientras estamos vivos.
