Don't Call Them Ghosts: The Spirit Children of Fontaine Manse- A True Story Kathleen McConnell

In 1971, the author and her family moved into a historic home known as the Fontaine Manse. Two days after moving in, she and her husband had an extraordinary experience that left them with no doubt that unseen residents occupied the house, too.

This is the true story of how Kathleen McConnell came to know and care for the spirit children who lived in the attic of the mansion: Angel Girl, Buddy, and Baby. From playing ball with Kathleen, to saving her son Duncan from drowning, the spirit children became part of the McConnell family in ways big and small. Finally, a heart-wrenching dilemma triggered an unexpected and dramatic resolution to the spirit children's plight.

Don't Call Them Ghosts is an inspiring story of the transcendent and lasting power of a mother's love.
