Ultimate fulfillment in life comes by choosing to live by the life principles Jesus modeled for us as the Son of Man. This book reveals those principles and demonstrates that if followed by believers, our lives can be an unending adventure of experiencing the supernatural intervention of the Creator of the universe in all our mundane, daily circumstances. Jesus' earthly life stands unique in human history as the pattern for all Christians. Most of us have many mentors in our lives, but they can never take the place of the one and only role model.
