Rival: A Feuds Novella (The Feuds Series) Avery Hastings

RIVAL is a stunning e-original prequel to **The Feuds** series by Avery Hastings, which opens a window into Davis's early life...

Davis Morrow has always been a little bit afraid to fall in love, to lose her focus, to be anything other than perfect. But while relaxing in an elite spa after another grueling rehearsal for a ballet showcase, Davis meets Seth, a trainer with intense eyes and a chiseled face to match his athletic build...and everything changes.

Unlike the other guys she's dated, Seth seems to get her—he understands how difficult her routine is, how hard she must work. Their first kiss leaves her mind spinning like an endless pirouette. Dating trainers is forbidden—but, like her best friend Vera insists, forbidden love is the best kind.

Then a threatening message from her dance rival, Gabrielle, brings her world tumbling down. Will Seth be the secret she needs to succeed, heart open for the first time? Or will this heated romance become her greatest rival yet?
